MILTON ROAD, CAMBRIDGE  
ENGLAND

22nd May, 1961.

Professor J. Lederberg,  
Genetics Department,  
Stanford University,  
Palo Alto,  
California, U.S.A.

Dear Professor Lederberg,

Thank you for your letter. All my queries are now answered. I received the exchange visitors' visa certificate about two days after last writing to you! I am glad that it may be possible for me to have an early installment of my fellowship stipend. We were, of course, very pleased to be fixed up with the Nossals' house.

I am very much looking forward to my stay in Stanford.

Yours sincerely,

*Walter Bodmer*

W.F. Bodmer.
